2018-2019 BCEA Professional Development Workshop #5

Using the Anti-Bullying Bill of Rights to Change School Culture

First, this workshop will focus on the Anti-Bullying Bill of Rights and its impact upon school staff, students, and school districts. However, combating bullying is not just about compliance, but also about changing school culture to provide a safe environment for all students. We will also focus on developing strategies for improving school culture, and consequently, preventing bullying.
